Create a Report - How Many Workspace Items

Software Support - 2017-08-09 - in Reports

You can run a report to show "how many files of the same type" are within any workspace - eg: How many documents are there in total.

Please see the full list below of all workspace item types you can filter on - eg: How many databases are there in total.

Simply create the report based upon a selection below...

- Task List
- Quick Poll
- Forum
- Blog
- Message
- Web Link
- Survey
- Calendar
- Structured Document
- Database
- Picture Album
- Folder
- Event
- Picture
- Task
- Web Page
- Document
- Article

Follow these steps below to create the report - Example is based on "how many documents are there in total" within my workspace.

1. Click > Create Report.
2. Provide a Name > Total Documents on Workspace.
3. Select "Workspace Items" as your Data to Report on.
4. Click > Next.
5. Add an Attribute > Item Name, Created by User Name. (you may wish to add more if required)

Report Data

Item Name ×

Created by User Name ×

+ Add an attribute

Save Cancel

6. Click > Save.
