How easy is it for my organisation to evaluate Kahootz?

Software Support - 2013-12-20 - in G-Cloud

Just go to Kahootz.com and [start a free trial](#) and you'll have a Kahootz collaboration site up-and-running in minutes. Feel free to create as many secure workspaces as you wish, try out some of our sample workspace templates and invite your colleagues to take part in your evaluation. If other departments become interested, you can set up as many trial Kahootz sites as you wish.
