Is there a reduced rate for an annual license and how do I pay?

Marketing Team - 2017-06-22 - in Costs

If you choose to pay for a year upfront, the annual license is only 10 times the monthly cost, giving you two months free.

The minimum term is 3 months. Invoicing is available for individual payments of £1,000 or greater. In situations where an organisation has several distinct subscriptions, a combined invoice can be provided.

Payment is usually made quarterly or annually in advance by either purchase order or PayPal.
